Sir,

With reference to your letter No.P.370/Pris.5-23 dated the 19th July 1923 requesting that action be taken for making certain ~~allegations~~ alterations in the District Lock-up building at Kolar in consultation with the District Magistrate, I have the honour to forward herewith, for favour of orders, an estimate amounting to Rs. 2,850/- for providing increased accommodation in the ----- District Lock-up at Kolar-

2. The proposals made by the Executive Engineer are explained in his report attached to the estimate-

3. The District Magistrate has countersigned the estimate in token of his approval thereto-

4. On account of financial stringency, the Public Works --- Department grants for the current year have been considerably -- curtailed and only incomplete works of previous years have been provided for. It has therefore not been possible to find the necessary funds for the work during the current year-

OFFICE OF THE DEPUTY COMMISSIONER,

Deputy Commissioner,
Kolar District.

To

Secretary to Government of Mysore,

SIR,

In confirming the marginally noted telegram issued this morning re: the extensions to the District Lock up at Kolar, I have the honor to state that the said Lock up is getting overcrowded from day to day and at the time of my inspection this morning, I found that there were 24 prisoners confined though the Lock-ups could not accommodate more than thirteen persons as per rules.

"Kolar District Lockup getting overcrowded. Immediate orders requested for extensions"

Somedays ago there was an attempt to escape which was somehow detected by the vigilant guards in the early stages of the attempts and what would have been a possible danger was averted. Further, it is not desirable to put in more prisoners in a cell than it could accommodate and from the health point of view objectionable.

With the introduction of the Separation Scheme into the District and the Establishments of two Courts in the District Head-Quarters, exercising jurisdiction over the 5 taluks, the concentration and congestion of prisoners in the District Lock-ups is likely to be above the average, in future.

In these circumstances, I request you to be so good enough to obtain the sanction of Government to make the required funds available for the extension of the Lock up as already requested in
